Come On (Robbie Moroder Remix)

Javi Mula

we got the groove with the music don't stop come on
we got the girls going into the club you want it
joining the vip with bottles of rum the girls so sexy going crazy taking in to the top come on yeaah xDwe got the groove with the music don't stop come on
we got the girls going into the club you want it joining the vip with bottles of rum the girls so sexy going crazy taking into the top come on yeaah xDwe got the groove with the music don't stop come on
we got the girls going into the club you want it
show me the be at be with parthy sou round the girls so sexy going crazy taking in to the top come on yeaah xDget the fuck shut the fuck upget the fuck shut the fuck upwe got the groove with the music don't stop come on
we got the girls going into the club you wont it
show me the vip with partys around the girls so sexy going crazy taking in to the top come on yeaah xDwe got the groove with the music don't stop come on
we got the girls going into the club you want it
show me the vip with partys around the girls so sexy going crazy taking in to the top come on yeaah xDwe got the groove with the music don't stop come on
we got the girls going into the club you wont it
show me the vip with partysaround the girls so sexy going crazy taking in to the top come on yeaah xDget the fuck shut the fuck up
get the fuck shut the fuck up
get the fuck shut the fuck up
get the fuck shut the fuck up
get the fuck shut the fuck up
get the fuck shut the fuck up
get the fuck shut the fuck up
gegegege_____yeah !!!get the fuck shut the fuck upget the fuck shut the fuck upget the fuck shut the fuck upget the fuck shut the fuck upwe got the groove with the music don't stop come on
we got the girls going into the club you wont it
show me the vip with partys around the girls so sexy going crazy taking in to the top come on yeaah xDwe got the groove with the music don't stop come on
we got the girls going into the club you wont it
show me the vip with partys around the girls so sexy going crazy taking in to the top come on yeaah xD
