Slow, Love, Slow (Instrumental)

Nightwish

Come and share this painting with me
Unveiling of me, the magician that never failedThis deep sigh coiled around my chest
Intoxicated by a major chord
I wonder
Do I love you or the thought of you?Slow, love, slow
Only the weak are not lonelySouthern blue, morning dew
Let-down-your guards, I-love-you's
Ice-cream castles, lips-to-ear rhymes
A slumber deeper than timeSlow, love, slow
Only the weak are not lonely
Slow, love, slow
Slow, slow
