Across the Great Divide

Kate Wolf

I've been walkin' in my sleep
Countin' troubles 'stead of countin' sheep
Where the years went I can't say
I just turned around and they've gone awayI've been siftin' through the layers
Of dusty books and faded papers
They tell a story I used to know
And it was one that happened so long agoIt's gone away in yesterday
Now I find myself on the mountainside
Where the rivers change direction
Across the Great DivideNow, I heard the owl a-callin'
Softly as the night was fallin'
With a question and I replied
But he's gone across the borderlineHe's gone away in yesterday
Now I find myself on the mountainside
Where the rivers change direction
Across the Great DivideThe finest hour that I have seen
Is the one that comes between
The edge of night and the break of day
It's when the darkness rolls awayAnd it's gone away in yesterday
Now I find myself on the mountainside
Where the rivers change direction
Across the Great Divide
And it's gone away in yesterday
Now I find myself on the mountainside
It's where the rivers change direction
Across the Great Divide
