# Stuck In the Middle (Flip 808 Remix)

## The Burning Hotels

I got in, you got out
I walked in, you walked outAs usual I'm stuck in the middleI'm closer to closure
Admitting that it's overAs usual I'm stuck in the middleAnd now you know that you control everything
As usual I'm stuck in the middle
And now I'm drowning in myself again
Yes, I'm drowning in myself againWhiter night, I am dead
Whiter night, I am dead
Whiter night, I am dead
Whiter night, I am deadWho knows how I got out
Who knows how I got out
As usual I'm stuck in the middleYou show us, just shut up
I told you that you would mess up
As usual I'm stuck in the middle
Now you know, that I control everything now.As usual I'm stuck in the middle
And I amSorry if they're a bit off.
I tried as best as I could.
