Over the Line

Revelation Theory

Covered the skin but I can't still feel
The ways you left me for dead
Uncover the sin to let the scars reveal
The blood that flowed from meOver the line, sun burns like fire
And this is all in my head
The pressure pushes me
Over the lineHeld it within 'cause you couldn't
Just be perfect for everyone
Feel the cave in and let the dirt conceal
The warmth you stole from meOver the line, sun burns like fire
And this is all in my head
The pressure pushes me
Over, over the lineThis resentment won't be the end of me
Hatred will pull you under
Be sure I'm not holding my breath
Not holding my breath 'cause it'sOver the line, sun burns like fire
And this is all in my head
The pressure pushes me
OverOver the line, sun burns like fire
And this is all in my head
The pressure pushes me over
Over, when it's over
Over the line
