Raising the Banners

Drakkar

Every day we gotta play in the game of life
Liars try to put us down, we won't run and hide[bridge]
Stronger we are, than all the bastards and fools
'Cause we believe in everything that we do[chorus]
Standing together, we know our time has come
Fighting forever, we never will be gone
Raising the banners, proud to be here tonight
Dressin' in leather, will you be on our side?What will be the next big thing? We don't give a fuck!
Metal's not a fashion, metal's not a joke[bridge][chorus]
