My Sweet, My Lovely

Plumb

I tip toe, hush, hush
Pitter pat goes my heart
Your beauty, your innocence
Joy is found with every kissMy sweet, my lovely
My sweet, my lovely
So sweet, so lovely
Close your eyes, close your eyes
Close your eyes, close your eyesI stare into the bluest eyes
Time stands still in your smile
You aren't there, now you're here
I dreamed of you but I never knewHow sweet and lovely
My sweet, my lovely
So sweet, so lovely
Close your eyes, close your eyes
Close your eyes, close your eyesMy sweet, my lovely
My sweet, my lovely
So sweet, so lovely
Close your eyes, close your eyes
Close your eyes, close your eyes
