

Cabin By the Sea

Dirty Heads

Well come with me
To a place by the sea
If the ship breaks down
You can always find me
And Dirty J chillin'
Underneath the shady tree
Our fans are always welcome
With our friends and family

And we wish you could stay
As long as you please
Just lend a helping hand
In our cabin by the sea
Well every day is beautiful
The sun, the sand, the breeze
And everybody lives together
Here in Harmony

[Chorus: x2]

And we'll sing
Just as loud as we please
And we will be
Oh ever so free
So come follow me
Cabin by the Sea

Picture you and me
In a Cabin by the Sea
You and your friends can
Hang the tire from the tree
My friends are all around
And the storm was an ocean
You say we look better
In a black and white photo

Picture you and me
In a Cabin by the sea
Sit up on the porch and
We can burn a couple trees
My friends are all around

And the storm was an ocean
You say we look better
In a black and white photo

What the photograph don't show
Is where we're headed tomorrow
And when we have to go
Say we meet together
In a black and white photo

We'll gather up some rocks
And make a circle in the sand
We'll fill it up with wood
And build a fire with our hands
The smoke starts to rise
The moon starts to shine
We bring the weed
And the whiskey and the wine

And we can pass it all around
Until it's all down
Put a message in a bottle
Put the cork back on
We'll throw it in the sea
The message it will read
If you find this don't send help
Send another bottle please

[Chorus]

When the sun goes down
We can start a fire
And sing around
When the sun goes down
We can start a fire
Start a fire [x2]
