

One-Trick Pony

Firebird

You say, "You're identical tonight"

But you're identical to some

Who wants to be a some?

Not me

I am not a one-trick pony

I am not a one-trick pony

I really feel no one can own me

I really feel nothing can hold me

Nobody can control me

Nobody can conform me

Nobody can disown me

Nobody can ignore me

So slow down

One-trick pony

I am not a one-trick pony

I am not a one-trick pony

For you I will not dance

And for you I will not prance

And where I was last

I'll never be at

And after that

I've already passed

So slow down

And hear this sound

One-trick pony

Yeah, you do it for a price

I can see it in your eyes

See that role was never mine

I don't want to stand in line

See how that one-trick story goes

If she weren't on time you'd never know

'Cause one-trick pony steals the show

You're just a pony

So back down

To the ground

And chill out

Girl, you better shape up, girl, you better shape up

Yeah, you ridin' so so so so so fast

Yeah, you better shape up

Yeah, just keep your chin up
No half ass, no half ass
One-trick pony
Just ride ride ride, oh
Just ride ride ride
Ride ride ride
