How High the Moon

Gloria Gaynor

Somewhere there's music
How faint the tune
Somewhere there's heaven
How high the moonThere is no moon above
When love is far away too
Till it comes true that you love me
As I love youSomewhere there's music
It's where you are
Somewhere there's heaven
How near, how farThe brightest night would shine
If you would come to me soon
Until you will, how still my aching heart
How high the moonSomewhere there's music
It's where you are
Somewhere there's heaven
How near, how farThe brightest night would shine
If you would come to me soon
Until you will, how still, my aching heart
How high the moonSomewhere there's music
Music in the air
Oh, I love this heaven
Heaven when you're nearOh, when you're near
I wanna hear the music
I know it's where you are
Live, let me hear it
