# Brutal Warfare

## Mortification

Demon forces
They must bow
Saints of God arise and kill
Deprivation
Evil bondage
Will not claim the church of Christ.
Brutal warfare
Brutal warfare
Pain and torment
Cast from below
Stand strong with God's armour on
Inflicted hate
Spiritual hate
Christ's name sends them back to hell
Put on the full armour of God
Stand against the devil
We are not fighting man
But evil powers of a dark age.
Rotting minds
Avenge yourselves
Send the devil back to hell
Intense defence
Awesome victory
Bludgeon to death bondages.
Belt of truth around your waist
Righteousness your breastplate
Gospel of peace in your feet
The shield of faith and sword of God.
