Steppin Out

Darien Brockington

Now, the mist across the window hides the lines
But nothing hides the color of the lights that shine
Electricity so fine
Look and dry your eyesWe, so tired of all the darkness in our lives
With no more angry words to say can come alive
Get into a car and drive to the other side
(Me babe, steppin' out)
Into the night, into the light
You babe, steppin' out
Into the night, into the lightWe are young but getting old before our time
We'll leave the TV and the radio behind
Don't you wonder what we'll find
Steppin' out tonightYou can dress in pink and blue just like a child
And in a yellow taxi turn to me and smile
We'll be there in just a while, if you follow me
(Me babe, steppin' out)
Into the night, into the light
You babe, steppin' out
Into the night, into the lightMe babe, steppin' out
Into the night, into the light
You babe, steppin' out
Into the night, into the lightMe babe, steppin' out
Into the night, into the light
