Undercurrent

Windy & Carl

Lies are all that we hear
Death your undertones of fear
Lies are what causes fear
Death you and all that I hear
This in your eyes
So clear your eyes
Undercurrents
We cannot believe
Undercurrents
Slowly drowning me
Face me look in my eye
Hate me I see through your mind
Face me you still cannot
Hate me drowning in lies
Your lies can't hide
So clear your mind
Undercurrents
We cannot believe
Undercurrents
Slowly drowning me, aah
Drown
Haha
Undercurrents
We cannot believe
Undercurrents
Slowly drowning me
Undercurrents
Slowly drowning me
Undercurrents
Slowly drowning me
Undercurrents
Slowly drowning me
Undercurrents
Slowly drowning me
Undercurrents
Slowly drowning me
Undercurrents
Slowly drowning
