Timber

Ke$ha, Pitbull

My love was like a seed that you had planted
The root was not as strong as it could be
And as the years went on, you weren't enchanted
So you fell it like a great big treeNow I'm falling timber
Timber the falling tree....My heart was not a thing to take for granted
So loosen up your home and let me be
And if I had my way you would be planted
Drowning in the shade with me.Now I'm calling timber...
Timber the falling tree-heeee.
