Green And Yellow

Lil' Wayne

[Intro]What up? I got Nosk in here with me
This ain't a diss song, but uhm
[Chorus]Yeah, uh-huh, you know what it is
I'm a cheesehead, y'all niggas Cheez Whiz
Pittsburgh Steelers, thats nothin'
That Super Bowl ring, thats stuntin'
Pull up in your town, when you see me you know everything
Green and yellow, green and yellow
Green and yellow, green and yellow
I put it down, representin' for my team
I'm in green and yellow, green and yellow
Green and yellow, green and yellow
[Verse 1]Money green, yellow broad
Aaron Rodgers, MVP award
This is Green Bay, bitch we go hard
This is Packer Country, where ya green card?
Terrible Towels, that shit's borin'
We got the ball, you know we scorin'
Yeah, and thats how we rockin' heavy metal
I'm up in this bitch wit' more Bloods than a blood vessel
Pitt' goin' down, say hello to the devil
Just beat the Bears, now we got the Steelers on the schedule
Yeah, no love for 'em boy, breakin' hearts
We gon' toast these niggas, Pop-Tarts
[Chorus]Yeah, uh-huh, you know what it is
I'm a cheesehead, y'all niggas Cheez Whiz
Pittsburgh Steelers, thats nothin'
That Super Bowl ring, thats stuntin'
Pull up in your town, when you see me you know everything
Green and yellow, green and yellow
Green and yellow, green and yellow
I put it down, representin' for my team
I'm in green and yellow, green and yellow
Green and yellow, green and yellow
[Verse 2]Got a call from my homie, this just in
The Packers in the Super Bowl and they better win
They call him Big Ben, but he weak though
We in Dallas, but we Lambeau leap hoe

Long hair, don't care, Clay Matthews
We shittin' on these fools, no bathroom
Yeah, got a pocket full of big faces
Throw it up, touchdown on Ike Taylor
[Chorus]Yeah, uh-huh, you know what it is
I'm a cheesehead, y'all niggas Cheez Whiz
Pittsburgh Steelers, thats nothin'
That Super Bowl ring, thats stuntin'
Pull up in your town, when you see me you know everything
Green and yellow, green and yellow
Green and yellow, green and yellow
I put it down, representin' for my team
I'm in green and yellow, green and yellow
Green and yellow, green and yellow
[Verse 3]Uhh, big G's on the helmet
Steel Curtain? What is that, velvet?
And if we win, I'ma throw a Super Bowl party
And blow a cigar like Vince Lombardi
I'm in Wisconsin, smokin' Amsterdam
Yeah I'm from New Orleans, but I been a Packers fan
We knocked the Eagles and the Falcons and the Bears off
Now we 'bout to cut Troy Polamalu hair off
[Chorus]Yeah, uh-huh, you know what it is
I'm a cheesehead, y'all niggas Cheez Whiz (Go Pack go)
Pittsburgh Steelers, thats nothin'
That Super Bowl ring, thats stuntin'
Pull up in your town, when you see me you know everything
Green and yellow, green and yellow
Green and yellow, green and yellow
I put it down, representin' for my team
I'm in green and yellow, green and yellow
Green and yellow, green and yellow
[Outro]Uh, go Pack go
Uh, go Pack go
Uh, we yellin' go Pack go
Yeah, like I said, this ain't a diss song
I just love my team, that's the team with them big G's on the helmet
You know what it is, oh yeah
Young Moula baby
