# Jailhouse

## Neon Hitch

Advisory - the following lyrics contain explicit language:

I told the judge
I'm innocent
Please set me free
From the jailhouseI told the judge
I'm innocent
Please set me free
From the jailhouseLocked up and they lost the key
I'm mad as fuck 'cause
By now I'll be on album three
I keep begging but no
They won't let me goI thought it was a dream, was a fairytale
I thought it was a castle, but it's just a jail
My shark bitten soul
Is trying to find a way homeAnd I'm fucked up
Still fighting
No truckstop
Keep drivingYou gotta drive through them
I drive drive through them
Yeah drive through them
I drive drive through them, yeahI told the judge
I'm innocent
Please set me free
From the jailhouseI told the judge
I'm innocent
Please set me free
From the jailhouseSick of sleeping on a shelf
I gave you gold but
I ain't giving you nothing else
So keep on moving slow
I do it on my ownLike a preacher
In silence
I'm a killer

No violenceI just voodoo them
I voodoo them
Yeah voodoo them
I voodoo them, yeahI told the judge
I'm innocent
Please set me free
From the jailhouseI told the judge
I'm innocent
Please set me free
From the jailhouseLike a preacher
In silence
I'm a killer
No violence
3x
