Proserpina

Gothica

Proserpina, Proserpina
Come home to mama
Come home to mama
Proserpina, Proserpina
Come home to mother
Come home to mama nowI shall punish the earth
I shall turn down the heat
I shall take away
Every morsel to eat
I shall turn every field into stone
Where I walk, cryin' alone
Cryin' forProserpina, Proserpina,
Come home to mama
Come home to mama nowProserpina, Proserpina,
Go home to your mother
Go home to Hera
Proserpina, Proserpina,
Go home to your mother
Go home to Hera nowShe has punished the earth
She has turned down the heat
She has taken away every morsel to eat
She has turned every field into stone
Where she walks, cryin' alone
Cryin' forProserpina, Proserpina
Come home to mama
Come home to mama
Proserpina, Proserpina
Come home to mama
Come home to mama nowShe has turned every field into stone
Where she walks, cryin' alone
Cryin' forProserpina, Proserpina
Come home to mama
Come home to mama
Proserpina, Proserpina
Come home to mama
Come home to mama now
