Big Shoes

Eyedress

Too depressed to care
Iâ€™m too poor to go anywhere
Iâ€™m so alone
No oneâ€™s left[?]
I canâ€™t even tell my friends how I feel
Afraid they donâ€™t want to hear it
Afraid they donâ€™t know
But itâ€™s alright
Because Iâ€™m strong
They think Iâ€™m invincible

[Chorus]
He donâ€™t wanna work it out
Thinks heâ€™d rather be alone
I donâ€™t know what to do
These shoes are getting way too big
I hope that I can feed my kid [x2]

She isnâ€™t even a year old
I already wanna kill myself
Hope that I can watch you grow
Hope that I donâ€™t kill myself
[Inaudible Whispering]

[Chorus]
He donâ€™t wanna work it out
Thinks heâ€™d rather be alone
I donâ€™t know what to do
These shoes are getting way too big
I hope that I can feed my kid [x2]

I hope that I can be a man
I hope that you understand
Iâ€™m sorry if I push you away
The truth is that my heart is cold
I didnâ€™t mean to cause you pain
These words donâ€™t mean a thing
My words donâ€™t mean a thing [x2]
