Days Gone By (Acoustic)

Slaughter

It's so good to see you now
It's been so long since we've been together
You kept in touch somehow
You always found a way to be there, yeahI wish that I could stop
The hands of time between usAll the days gone by
Do you remember when we were the best of friends
All the days gone by
You know that memories never fade
As you're watchin' all your days go byLookin' back on younger years
That's what are hopes and dreams are made of
All the laughter and the tears
It's the feelin' of love that make us, oh oh yeahI wish that I could stop
The hands of time between usAll the days gone by
Do you remember when we were the best of friends?
All the days gone by
You know that memories never fade
As you're watchin' all your days go byOh, all of the feelin's that we had before
But through the years, oh, those were the times, ooh yeahAlright
WhoaThe memories we share
You can't erase them from your mind
All of the days gone by
You know that memories never fade
As your watchin' all your days go byThey go by, they go by
They go by, they go by
They go by, they go by
They go byMemories never fade
As your watchin' all your days go by, oh
