Make You Feel Real Good

Vince Gill

You say you will but you won't
You say you wanna but you don't
Gimme just a little kiss
Oh, how I love all of this
Babydoll, you know I would
Make you feel real goodBeen goin' crazy since we met
You're about as tempting as it gets
You got me down here on my knees
Beggin' pretty-pretty-please
Well, honey child, I think we should
Make you feel real goodI'll make you feel all right
If it takes all night
What you got underneath your hood
I'll make you feel real goodI'll make you feel all right
If it takes all night
What you got underneath your hood, baby
I'll make it feel real good
