Unscarred

Xecsnoin

Trust Has Failed
dark Skies Faded Quickly I Did Not Know
then I Bury Pieces Of You In Shallow Holes
i Will Arrange A Death By Fire Please Save Me This Time
based On Your Words Of Soiled Truth And I Will Fade Away
for The Chances You Never Got To Know And My Betrayal
dark Skies Faded Quickly I Did Not Know
then I Bury Pieces Of You In Shallow Holes
in My Shallow Grave I Await Betrayal
embrace This Pain Built On My World
its Give Or Take When You Play This Game
your Time Is Up
un Unscarred We Break
silence Forever Silence
