Since I Fell for You

Ehud Asherie

When you just give love and never get love
You'd better let love depart
I know it's so and yeah I know
I can't get you out of my heart
You made me leave my happy home
You took my love and now you've gone
Since I fell for you
Love brings such misery and pain
I guess I'll never be the same
Since I fell for you
Well it's too bad, it's too sad
But I'm in love with you
You love me and you snub me
But what can I do when I'm still in love with you?
I guess I'll never see the light
I get the blues most every midnight
Since I fell for you, since I fell for you
