

Fire

DJ Andy Smith

Alright now get this baby
You know they're telling me
I don't a-care about that
Now I'm your fool
I like it like that
I have only one a-burning desire
Let me stand next to your fire

Let me stand next to your fire
Let me stand next to your fire
Let me stand next to your fire
Let me stand next to your fire

Look out baby now stop acting so crazy
You say your momma ain't home it ain't my concern
You play with me and you wanna burn
I have only one a-itching desire
Let me stand next to your fire

Let me stand next to your fire
Let me stand next to your fire
Let me stand next to your fire
Let me stand next to your fire

Move over Rover
And let Billy take over
Know what I'm talking about yeah

Alright yeah get this baby stop yeah alright
You got a-real money you better save it babe
Save it for your rainy day
I have only one a-burning desire
Let me stand next to your fire

Let me stand next to your fire
Let me stand next to your fire
Let me stand next to your fire
Let me stand next to your fire
