Better Place

Kane Brown

Baby if your dream is 40 acres and a house
Or it's going all the way around
I'm gonna buy it
Or if you'd rather see city lights and a crowd
I'm gonna move you up town
It don't matter to me, no it don't girl
Baby I can see me living anywhere with youSo till' the sky falls and the good lord calls us up
you're the only girl I wanna love
Till' I'm pushing up daisies
Wanna stare into your green eyes baby
Till' we're hand in hand walking down them streets of gold, six feet below you know
I'm gonna make your world a better place
till' we're both in a better placeIf all you wanna wear is faded blue jeans and a tee
well baby that's fine with me,
you look good in anything
Ahh but girl I swear
if you wanna hit the town in a dress, turn a few heads
I ain't gonna stop you, baby I got you ohhTill' the sky falls and the good lord calls us up
you're the only girl I wanna love
Till' I'm pushing up daisies
Wanna stare into your green eyes baby
Till' we're hand in hand walking down them streets of gold, six feet below you know
I'm gonna make your world a better place
till' we're both in a better placeEvery night, every night
every day, you're my everything
till we fade awayTill' the sky falls and the good lord calls us up
you're the only girl I wanna love
Till' I'm pushing up daisies
Wanna stare into your green eyes baby
Till' we're hand in hand walking down them streets of gold, six feet below you know
I'm gonna make your world a better place
till' we're both in a better place
