Sunday Morning

Margo Guryan

Sunday morning
Sun shining on your eyes
Sleepy face
Smiling into mineSunday morning
Lots of time with nothing to do
Lots of time to spend with you
On Sunday morningIt's so quiet in the street
We can hear the sounds of feet walking by
I'll put coffee on to brew
We can have a cup or twoAnd do
What other people do
On Sunday morningSunday morning Sunday morning
Sunday Sunday I love Sunday
Sunday morningCome hold me in your arms
I love you
Everything is all right
Sunday morningLots of time
Lots of time
On Sunday morning
