Looking For A Boy

Julie Andrews

I am just a little girl
Who's looking for a little boy
Who's looking for a girl to love.
Tell me please, where can he be,
The loving he who'll bring to me
The harmony I'm dreamin' of?It'll be goodbye, I know,
To my tale of woe
When he says hello, so;
I am just a little girl
Who's looking for a little boy
Who's looking for a girl to love.If it's true that love affairs are all arranged in heaven,
My guardian angel's holding out on me!
So I'm looking for a boy 'bout five foot six or seven,
And won't be happy till I'm on his knee!
I'll be blue until he comes my way,
Hope he takes the cue when I am sayin';Tell me please, where can he be,
The loving he who'll bring to me
The harmony I'm dreamin' of?
