Keep It Simple

State Of Mind feat. Nymfo & DNME

I've seen the future
So I already know
Baby you've been let down
You can't take anymore
You hear that I'm untrue
But you've been around too
I don't hide it from you
I know that you're needy
Baby, take it easy
And we can make all our dreams come true
If you
I'm down if you don't expect any more from me
I ain't got much for you
It's all right if you wanna get down
Keep it simple now
I'm down if you don't expect any more from me
I ain't got much for you
It's all right if you wanna get down
Keep it simple now
And time keeps slipping us by
When we're alone
Music makes me get high
We're getting down on the floor
Let this groove just take you
Make your booty shake too
Just show me what you can do
I know that you're needy
Baby, take it easy
We can make all our dreams come true
If you
I'm down if you don't expect any more from me
I ain't got much for you
It's all right if you wanna get down
Keep it simple now
I'm down if you don't expect any more from me
I ain't got much for you
It's all right if you wanna get down
Keep it simple now
How do you feel? Do you feel all right, all right?

How do you feel? Do you feel all right, all right?
How do you feel? Do you feel all right, all right?
How do you feel? Do you feel all right, all right
All right, all right?
I'm down if you don't expect any more from me
I ain't got much for you
It's all right if you wanna get down
Keep it simple now
I'm down if you don't expect any more from me
I ain't got much for you
It's all right if you wanna get down
Keep it simple now
