These Days

Nico

I've been out walking
I don't do too much talking
These days, these days
These days I seem to think a lot
About the things that I forgot to do
And all the times I had the chance to.I've stopped my rambling
I don't do too much gambling
These days, these days
These days I seem to think about
How all the changes came about my ways
And I wonder if I would see another highwayI had a lover
I don't think I'll risk another
These days, these days
And if I seem to be afraid
To live the life that I have made in song
It's just that I've been losing so longI've stopped my dreaming
I won't do too much scheming
These days, these days
These days I sit on corner stones
And count the time in quarter tones to ten
Please don't confront me with my failures
I had not forgotten them
