Let's Go to War

Murderdolls

I'm the motherfucking wrench thrown in the gears
Everything was great 'til I got here
And I'm a bad guy inside and out
Put your faith in me and I'll spit it outAnd I admit I'm a basket case
With lipstick smeared across my face
Cocked and loaded, can't shut me up
Blame it on the music to cover it upHey stupid don't suck your thumb
Take your diaper off and put your helmet on
Destroy 'til there is no more
Put your helmet on, lets go to war
Let's go, let's go, let's go, let's goSome things are better left unsaid
But I'd like to see a bullet in your head
Charge the damage to my card
And I'll see you on the graveyard boulevardHave a boot to the face, it's on me
Hard to talk shit with no fucking teeth
Spit 'em out, spit 'em out all in a row
So pucker up sucker, here's one for the roadHey stupid don't suck your thumb
Take your diaper off and put your helmet on
Destroy 'til there is no more
Put your helmet on, lets go to war
Let's goShut your face and open your eyes
Your whole fucking life was a lie
And everything that you stood for
Just had it's ass kicked out the doorI am rubber and you are glue
I'll beat the motherfucking shit out of you
You're pro-life and I'm pro-death
And I'll throw you from the tree and break your fucking neckHey stupid don't suck your thumb
Take your diaper off and put your helmet on
Destroy 'til there is no more
Put your helmet on, lets go to war
Let's go, let's go, let's go, lets go, let's fucking go
