One More Day

Digital Summer

[Verse One]
Looking back,
I've made so many mistakes
That I can't even look at
Myself in the mirror
I've lived in the moment,
And fell to temptation
I've lost everything
To self deprivation
And I wonder-[Chorus]
Was it worth it?
Or was it all waste of time?
[You can't run from yesterday]
There's nothing perfect
In this broken paradise
[In this world of misery]
Just tryin to make it one more day
Just tryin to make it one more day[Verse Two]
So many years ago
I promised myself
That I wouldn't end up
Right where I am
There's no use holding on
To what I can't change
If I took a different road
Would I still be the same?[Chorus]
Was it worth it?
Or was it all waste of time?
[You can't run from yesterday]
There's nothing perfect
In this broken paradise
[In this world of misery]
Just tryin to make it one more day-[Bridge]
With this conscience of mine
Killing inside,
I've lost myself
And I can't deny
It gets harder and harder
With everyday that goes by

And so I wonder?[Chorus]
Was it worth it?
Or was it all waste of time?
[You can't run from yesterday]
I guess nothings perfect
In this broken paradise
[In this world of misery]
Just tryin to make it one more day
Just tryin to make it one more day
