# Think (2015 Remastered Version)

## Mick Jagger

Think about the sacrifices that I made for you
Think about the hard times that you put me through
Think about the good things that I done for you
Think about the bad things that I tried not to doCome on baby
Think about the good things
Think about the bad things
Think about the right things
Think about the wrong things
And baby before you leave me you'll realise
That I'm the one who loves youHow much of the happiness can you really claim
How many tears have I shed, am I not to blame
Though I can't remember what went wrong
I tried so hard to please you, least that's what I thoughtCome on baby
Think about the good things
Think about the bad things
Think about the right things
Think about the wrong things
And baby before you leave me you'll realise
That I'm the one who loves youCome on baby
Think about the good things
Think about the bad things
Think about the right things
Think about the wrong things
And baby before you leave me you'll realise
That I'm the one who loves youThink about the sacrifices that I made for you
Think about the hard times that you put me through
Think about the good things that I done for you
Think about the bad things that I tried not to doCome on baby
Think about the good things
Think about the bad things
Think about the right things
Think about the wrong things
Come on baby
Think about the good things
And baby before you leave me you'll realise
That I'm the one who loves you
And baby before you leave me you'll realise
That I'm the one who loves you
And baby before you leave me you'll realise

That I'm the one who loves you
