Think of You

Ibeyi

Moyuba Echumingua y los orishas
Moyuba Oshun Shango and YemayaWe hear laughter and we think of you
We walk on rhythm and we think of you
Feeling our union and we think of you
Receive your spirit and we think of youMoyuba Echumingua y los orishas
Moyuba Oshun Shango and YemayaLet's remember with rhythm our loved ones that are gone
All the joy when we're singing that no joy can destroyWe hear laughter and we think of you
We walk on rhythm and we think of you
Feeling our union and we think of you
Receive your spirit and we think of youMoyuba Echumingua y los orishas
Moyuba Oshun Shango and YemayaIf we sing they may come guiding all of our steps
You're living through us Baba we're singing for youWe hear laughter and we think of you
We walk on rhythm and we think of you
Feeling our union and we think of you
Receive your spirit and we think of you
