Rain

Lynch Mob

So ya love your money, honey, love the dope
Fill your dreams with a thousand hopes
You know I just don't know what you're looking for, oh
And now's the time, but it's just a little too lateShy, she was shy
She took a one way ticket on an endless ride
Well, it's on and on
She ain't never comin' downRight, it's alright
Bein' hungry, child, you know it ain't no crime
Her burnin' fire
Just lookin' for a better wayOh, but as the time seems to pass her by
And the memories fade awayRain
As it pours in her world
Rain
Oh, how she weeps without a soundSmokeless nights, as you're out on your own
When you stop and wonder, if your heart's turned to stone
Then you take a drag of a smoke
And blow your thoughts awayBut time and time, as you look around
As to what you seeRain
As it pours in her world
Rain
Oh, how she weeps without a soundBut she still wants more
Ohh, things will never, never changeShame, lust
How you walk around with your head above the clouds
Ooh, yeah
And you're never coming downRain
As it pours in her world
Rain
Oh, how she weeps without a soundRain
As it pours in her world
Rain
Yeah, how she weeps without a soundThings will never change, never change
