SuperLove

Shaun Canon

Vs. 1
I'm just a boy in love with a pretty girl - Oo
I'm just a boy in love with a Supergirl - WhoaChorus
Not even the best disguise could hide it
No body suit ever could deny
What we're made of
It's our SuperLove
Not even the best disguise could hide it
No body suit ever could deny
What we're made of
It's our SuperLoveVs. 2
We faced the worst and came out on top
A nuclear bomb could burst, but our hearts won't stopI always knew I could rocket off the ground
I never knew I would be walking on the cloudsChorus

What we're made of
