# Katie Belle Blue

## Townes Van Zandt

There is no deeper blue in the ocean that lies
As deep as the blue of your laughing eyes
No sweeter sound than your gentle sigh
No heart was ever so pureDream, pretty dreams touch beautiful things
Let all the skies surround you
Swim with the swans and believe that upon
Some glorious dawn, love will find youCome some day, I'm bound away
Wind and wings on the water
Whatever may, you must stay
And remain my beautiful daughterThere is no deeper blue in the ocean that lies
As deep as the blue of your laughing eyes
No sweeter sound than your gentle sigh
No heart was ever so pure
