Parasites

Slaughter

Like cancer he can kill from within
penetrates with evil and sin
hunts like a vulture for skin
slowly he infiltrates in
[chorus]
Parasite legions-sucking your blood
parasite demons-drain plasma flood
parasite leeches-you`ll never know when
parasite legions-sucked dry again
Like a snake he creeps in without sound
picks up your scent on the ground
infecting your weaknesses now
infiltrates sweating brow
[chorus]
Like a rapist forcing you all the way
like a parasite feasting on prey
weakens until you collapse
like a fool you fell into his traps
[chorus]
