First Come, First Serve

Rose Royce

Life turned to love
Now love is about to turn into hate
You ask me, "Can we try it again"
Boy, let me tell you somethin'
Our road has come to an end, huhFirst come, first serve
Hey, you don't want my love
So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserveBoy, tell the truth, did it ever occur to you
That I have wants, desires and needs too?
While you were out there roamin'
And homin' the streets
I sat home lonely, night after night
In desperate need, ohFirst come, first serve
Hey, you don't want my love
So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserve, ohHey
Boy, I want you to know
That I'm a-through talkin'
Now get out my way
So I can get my things and start walkin'Conversation ain't what
What I need, no, no
In case you want to know
I'm takin' it to the streets, ohFirst come, first serve
Tell the truth, boy
You don't want my love
So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserve, uh huhFirst come, first serve, ain't it true
You don't want my love
So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserve, ohFirst come, first serve
Hey, you don't want my love

So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserve, I'm movin' onFirst come, first serve
I'm movin' on, I'm movin' on
Bye bye, baby
First come, first serve
