

Young Souls

Broken Back

We're walking through the lands,
Pure souls and dreams ahead
Tell the world here we are(Hey!)A thousand miles away
We've traveled to, so far to play
We've put our fears aside,
A thousand miles away from home(Hey!)We are the young souls and proud to be so, every day,
Tell them we are, tell them we are,
We're on the wayWe won't stop, we won't stop growing everyday
Tell them we are, tell them we are,
We're on the way
We are the young souls and proud to be so, every day,
Tell them we are, tell them we are,
We're on the wayWe're walking through the lands,
Pure souls and dreams ahead
Tell the world here we areRomantic adventurers we seek to discover
What the world has to hideA thousand miles away
We've traveled to, so far to play,
We've put our fears asideA thousand miles away
We've traveled to, so far to play,
We've come to sing out loud
A thousand miles away from homeWe are the young souls and proud to be so, every day,
Tell them we are, tell them we are
We're on the way
We won't stop, we won't stop growing everyday
Tell them we are, tell them we are,
We're on the way
We are the young souls and proud to be so, every day,
Tell them we are, tell them we are,
We're on the wayWe won't stop, we won't stop growing everyday
Tell them we are, tell them we are,
We're on the way
