Feel For You

Nightwish

You were my first love
The earth moving under me
Bedroom scent, beauty ardent
Distant shiver, heaven sent
I'm the snow on your lips
The freezing taste, the silvery sip
I'm the breath on your hair
The endless nightmare, devil's lair
Only so many times
I can say I long for you
The lily among the thorns
The prey among the wolves

Someday, I will feed a snake
Drink her venom, stay awake
With time all pain will fade
Through your memory I will wade
Barely cold in her grave
Barely warm in my bed
Settling for a draw tonight
Puppet girl, your strings are mine
This one is for you for you
Only for you
Just give in to it never think again
I feel for you
