No Excuse (Kit Grill Remix)

Jacques Greene

Love
You're my love
Love
You're my love
There's really no excuse
Love
You're my love
Love
You're my love
There's really no excuse
Baby, you're my love
No more playing games
I'm deleting other games
I figured what to use
Love
You're my love
Love
You're my love
There's really no excuse
You're my love
Love
You're my love
Love
You're my love
There's really no excuse
You're my love
Love
You're my love
Love
You're my love
There's really no excuse
You're my love
Love
You're my love
Love
You're my love
There's really no excuse
Baby, that gravity
There's really no excuse

There's really no excuse
Love, love
No more playing games
I'm deleting other games
I figured what to use
Love, love, love, love
Love, love, love, love
There's really no excuse
Love, love, love, love
Love, love, love, love
There's really no excuse
There's really no excuse
There's really no excuse
