Supernatural Silence

Strange Names

you appear
like a ghost to me
like a fantasy that i could not put downjust a heartbeat
you'll be gazing through my skin seem invisible as sin
no one in the room is even onto you(oh)
well could you help me
cause im lonely here
lookin for a mystery
oh mystery
if you could talk to me
then i could work it out
if i could walk with you
it would defy it
well are you physical
or ultraviolet
and will it be tonight
the night you finally break your supernatural silence(oh will it be tonight, tonight, tonight, tonight)
supernatural x4you're so cool
disappear
like a shadow when the sun is at the apex
get it on
did i hear
give me galaxies and show me endless time
like i know you do
(oh)
well could you help me
cause im lonely here
lookin for a mystery
oh mysteryif you could talk to me
then i could work it out
if i could walk with you
it would defy it
well are you physical
or ultraviolet
and will it be tonight
the night you finally break your supernatural silence(oh will it be tonight, tonight, tonight, tonight)
supernatural x4(supernatural)(oh will it be tonight, tonight, tonight, tonight)
supernatural x4if you could talk to me
then i could work it out

if i could walk with you
it would defy it
well are you physical
or ultraviolet
and will it be tonight
the night you finally break your supernatural silence
