No Time To Waste

Crada

I've got time to think about
The things you think about when
You've got time to spare
Wonder why we're here
And I wonder when or where it might go wrong
And I wonder why I went along with you
Why I forgot to think
Forgot to think it through now
And I wonder why I
I wonder why
You go on, you go on
You go on pushing yourself
You keep on, you keep on
You keep on fooling yourself
You don't know why you don't know
And you don't know how you just don't know
And you keep on, I keep on fooling myself
There's a time and place for everything
A time to act, a time to dream
There's time to wait
But no time to waste, no
And I wonder why I
I wonder why
You go on, you go on
You go on pushing yourself
You keep on, you keep on
You keep on fooling yourself
You don't know why you don't know
And you don't know how you just don't know
And you keep on, I keep on fooling myself
Myself, myself, myself, myself
