Nancy Drew

Relient K

I got this thing for Nancy Drew
Her hair is blond, her eyes are blue
Yeah, I think that I'm falling in love
I wish she'd say she'd marry meAnd why she won't is a mystery
Yeah, I know it's me she thinks of
Nancy Drew, I love you
(Yes I do)One time these criminals with there guns
They thought it would be fun
To try and kill my Nancy Drew
I jumped out and saved her lifeThen I asked her to be my wife
She said, "No I'll never marry you"It's a really big mystery
I'll put the Hardy Boys on the case
'Cause no time in history
Has someone denied my faceAnd I'll be true to you my Nancy Drew
