Bleed

Ambeon

Well, it's been almost a year to the moment
When I finally realized it was over
And I knew that love wasn't good enough
Of a reason for me to stay
Well, I saw you yesterday you were drivin'
And I tried so hard to forget
You were alive, and as you passed by I began to cry
Over things that I did not say
And hide underneath my blankets and sheets, I'm finally free
I'm killin' the ghost of you and I'm close to awakening me
Yeah, yeah
So I'm takin' my heart and I'm gettin' me out
And love's something that I wouldn't wanna live without
So I'm takin' my heart and I'm gettin' me out
On my own, my own, my own
Well, it takes all of my strength to be stable
And I force your insults under the table
And if you were wise you would compromise
And allow me to live my way
'Cause I am not a force to be reckoned with

And you don't have a clue what you're messin' with
And you can't see to the best in me
'Cause it's more than your heart can take
And hide underneath my blankets and sheets, I'm finally free
I'm killin' the ghost of you and I'm close to awakening me
I'm awakening me
I'm awakening me, yeah
I'm awakening me
So I'm takin' my heart and I'm gettin' me out
And love's something that I wouldn't wanna live without
So I'm takin' my heart and I'm gettin' me out
On my own, my own, my own
I'm takin' my heart and I'm settin' you free
And, baby, now you're just another song to me
And the edge of your sword isn't sharp enough for me to bleed
Na na na
Na na na
Na na na
