Kokoro ukiuki boogie woogie----------
There is a party at the house today
That girl has a flashy "daisy look"
Flower buckle and red kinky boots
Navel-exposed baby jane
Everyone longs to be herThat dancing girl is the princess of groove
Her partner for tonight
Is a head-spinning scarleeze (?)
Crazy rave party
Everyone longs to be herDance, dance, oh, doll-up party
Heart-pounding boogie-woogie music
Dance, dance, oh, doll-up party

Heart-pounding boogie-woogieThere is a party at the house today
That girl is a mechanical future girl
Laser beam and silver 3-d glasses
Contentedly-dancing sweet jane
Everyone longs to be herThat dancing girl is a silicone queen
Her partner for tonight
Is a disk-flashing cdj
