

Flies On My Dick

Ween

Oh sweet mindfuck lady
Please love me like you do
Plagued by an image of days long gone
Flies on my dick Never sit alone on a hot sticky noon
With flies on your dick
I'm just a boy with a gypsy nun
I love it when you stick me with your staff Oh sweet mindfuck lady
Smashed with a nightmare
All alone with flies on my dick Have a beautiful pain
It always rains in your bed
When I'm wet with truth
I'll say it with soothe
I know what I must do Sweetheart, nun, gypsy
I know what I must do
So afraid I know what I must do
So afraid I know what I must do La la la la la la
La la la la
La la la la la la la la
La la la la
La la la la la la la la
La la la la ha ha!
La la la la la la la la
La la la la la!
