What He Means

Just Jinger

if there is grace in this world
if there is light on this earth
let us use it
let us see it
starting right nowcan we be down with ourselves
respectful and mindful of one, of one another
your significant other
your sister your brotherpeace, love, more tolerance
faith hope, trust in the same name of god
peace, love, more tolerance
faith, hope trust in the same god in whose
name we die for, take an innocent life for
thats not what he means
and it doesn't matter what book you read
is there relief up ahead
cos judgement and hearing await
a weight on our minds to bear
a shame on our heads to wearwhere is salvation in love
now that we have what we want
now that we have our warspeace, love, more tolerance
faith, hope trust in the same god in whose
name we die for, take an innocent life for
thats not what he means
and it doesn't matter what book you readwith a little bit of ease and a little bit of calm
acceptance is the key to all we know
what about a stir of compassion and leaneance
what about some understanding
what about some sympathy
peace, love, more tolerance
faith, hope trust in the same god in whose
name we die for, take an innocent life for
thats not what he means
and it doesn't matter what book you read
