Shadows Fall

Random Forest

Morning comes, darkness drops
Upon this day a shadow falls
Silence warps through the halls
Since I've been gone, gone, goneA hundred years from today
Lamp lights ablaze, paves my way
Till Jesus saves my early grave
I will be gone, gone, goneDrop the anchor, lift my heart
From stem to stern, I'm torn apart
Mount my horse, pack my carts
Tomorrow I'm gone, gone, goneSeek the hull, leave the deck
Silver moon silhouette
In due time you will forget
That I am gone, gone, gone
(Gone, gone)
(Gone, gone)Since I've been gone, gone, gone
(Gone, gone, gone)
(Gone, gone, gone)
I will be gone, gone, gone
(Gone, gone, gone)
(Gone, gone, gone)
Tomorrow I'm gone, gone, gone
(Gone, gone, gone)
(Gone, gone, gone)
