

I Overcame

Ada

I overcame Hallelujah
He won the Victory Hallelujah
He said it's finished and oh ohhhhhhh
My Story is written and oh ohhhhhhh
I Overcame Hallelujah
I Overcame Hallelujah
Hallelujah He's alive
And because He lives I live
Hallelujah Jesus Lives
And my future is alive in Him
I overcame Hallelujah
He won the Victory Hallelujah
He said it's finished and oh ohhhhhhh
My Story is written and oh ohhhhhhh
I Overcame Hallelujah
I Overcame Hallelujah
Say to the mountain, I overcame
Say to the problem, you came too late
Tell that sickness, I already won
Declaring boldly, I'm born of God
He said it's finished and oh ohhhhhhh
My story's written and oh ohhhhhhh
I Overcame Hallelujah
I Overcame Hallelujah
Hallelujah! He's alive
And because He lives I live
Hallelujah! He's alive
And because He lives I live
Hallelujah! Jesus Lives
And because He lives I live
He said it's finished and oh ohhhhhhh
My Story's written and oh ohhhhhhh
He said it's finished and oh ohhhhhhh
My Story's written and oh ohhhhhhh
I overcame Hallelujah
I overcame ... Hallelujah
I overcame ... Hallelujah
I overcame ... Hallelujah
Ahhhhh

It is Finished!
