Starfish

Senpai

I saw a starfish on the ground
He was half buried in the sand
Just so out of place, and aah
He was a long long way from home
I was a long long way from home
And so we talked a little while
Then I shook his hands and I
I was a long long way from home
Everything is wonderful and everything's alright
So alright, there we were, one less star tonight
Na na na na na na na na na na na
Na na na na na na na na na na na
We thought a better place to go
Might be the top of purple mountains
So close to outer space and aah
We were a long long way from home
We'd bring some records and a game
Might take a walk or read a book
But it's not the same no aah
We're still a long long way from home
And everything is wonderful and everything's alright
So alright, there we were, one less star tonight
I saw a starfish on the ground
He was half buried in the sand
Now he's not so all alone and he's finally goin' home
So I smiled and shook his hand hey, hey
And we were singin'
Na na na na na na na na na na na
Na na na na na na na na na na na
Na na na na na na na na na na na
Na na na na na na na na na na na
There we were , one less star tonight
There we were, one more star tonight
